- A stunning collection of 12 voile fabrics with an easy, natural look and soft handle.
- Rod pockets for roman blinds are woven horizontally into the fabric, so each pocket remains perfectly straight, and there is no stitching required.
- As the voile is a wide-width fabric, there are no joins in the roman blinds.
- The woven rod-pockets become a feature of the voile curtain as vertical stripes.
- Fabric composition is 20% linen and 80% polyester.
- Light fastness guaranteed.
- Cool wash at 30°C and cool iron, or professional dry-clean.
- Fabric width is 300cm with the exception of L'Escala which is 280cm wide.
